

Projective Geometry

October 2018

Sophia House, 18 Firfield Rd, Plumstead, Cape Town

For those of you who have completed Projective Geometry 1 (A Step into the Infinite) and would like to explore further, you are warmly invited to join me for the 'next step' – Projective Geometry 2 (Conic Sections, Hexagons and Infinity).

And those of you who would like to continue the thread even further to a new, first time offered, 3rd Projective Geometry course (Transformation and Metamorphosis) you are invited to continue the journey with me! See below...

o Conic Sections, Hexagons and Infinity

(Must have completed Projective Geometry 1)

Experience the revelations of constancy and mobility through the interaction of the conic sections with hexagons, pentagons, quadrilaterals and triangles.

Monday and Tuesday 1st & 2nd October 2018

9.00 – 12.30

R500

o Transformation and Metamorphosis

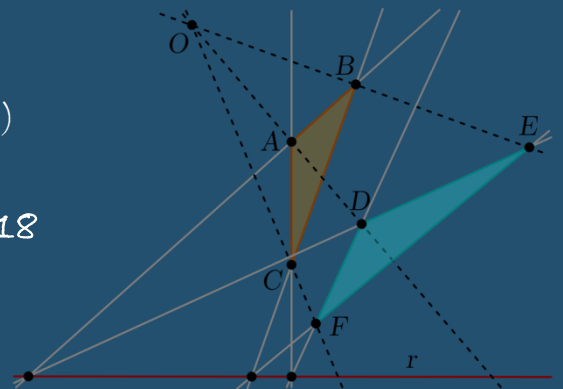

(Must have completed Projective Geometry 1 & 2)

Developing basic concepts into exciting exercises

Wednesday and Thursday 3rd & 4th October 2018

9.00 – 12.30

R500

If both Projective Geometry 2 & 3 are attended then the total cost for both will be R900

KALLOSOPHIA ... A Soul touched is a Soul transformed!
