

Searching for Prester John

A Journey to Ethiopia

A Presentation by Briar and Michael Grimley

Christian Community Church, Johannesburg

Sunday 14 October 2018

11:30 - 14:00 (Includes light lunch)

In Briar and Michaels' quest to find a connection between the legendary figures of Prester John and Lalibela, Priest King of Ethiopia, they visited four of the island monasteries on Lake Tana - the source of the Blue Nile, the ancient capital city of Gondar, and finally the extraordinary churches of Lalibela - carved out of solid rock from the top downwards - now considered as the 8th wonder of the world. Visiting these sacred places included rich and profoundly moving encounters with the cultural and spiritual life of Ethiopia.
